The Barbara Pittard Payne Lectureship in Gerontology

This lectureship was established in 1990 in honor of Dr. Barbara Payne-Stancil, founding Director of the Gerontology Center (now the Gerontology Institute) at Georgia State University. The lectureship is a tribute to Dr. Payne-Stancil’s distinguished career and contributions to the field of gerontology. Inaugurated in 1993, the lectureship each year brings to the Georgia State University campus a distinguished individual from the field of gerontology.
